Weather shelter

Storage weather shelter, Lifiable covers

Aluminum structures & liftable covers for construction, production and storage.

Liftable, relocatable, and expandable

Flexible solutions for a wide variety of sectors.

Standard or specialised shelters & covers

Cost effective solutions.

Fast delivery & quick installation

Complete installation services available globally.

Cover anything. Anywhere.

Protection from the elements

Hallgruppen's temporary shelters are suitable for a variety of uses and will protect a range of items from the elements - materials, components and even finished goods.

Durable and strong aluminium profiles

Flame resistant coated fabrics

Low maintenance.

Safe assembly

We strongly abide by all relevant codes.

Weatherproofing your project

With their movable design, crane lift capabilities and the ability to be built on a scaffold our temporary shelters are an all-around convenient solution.
